## Description

---

The equip 650608 Heavy-Duty TV cart with stylish, technical and functional design to provide solid presentation solution for most 37-80" LED, LCD flat panel TVs loading capacity up to 80kg.

Height adjustable for an optimal viewing position , equipment shelf can provide more storage space for accessories. Anti-Theft Locking Hole for additional security preventing any unwanted removal (extra padlock required) .

Locking casters make TV carts easy to move and stop for. Internal cable management hides wires from view to keep a clutter-free appearance. Ideal for conferencing, public displays or other professional presentation.
